**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims: Cancel claims 24-36, as being drawn to a non-elected without traverse.

***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance: The prior art fails to teach, disclose, or suggest, either alone or in combination, at least on claim 1 a printed circuit board comprising: a substrate having at least one component site, a plurality of board leads adapted to interface the circuit board with an external bus; a plurality of board contacts arranged adjacent the component site, each of the board contacts being adapted to be electrically coupled to a component contact of a microelectronic component; and selectively configurable circuitry carried by the substrate and adapted to selectively couple selected ones of the board contacts to selected ones of the board leads, the selectively configurable circuitry comprising at

least one trace associated with each of the electrical connectors, at least one of the traces including a normally open thermally actuatable switch which can be selectively closed to create an electrical connection. Therefore dependent claims 2-10 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
